

Name: PÁLL-GERGELY, Barna

Place and date of birth: Gyergyószentmiklós (Romania), 20.05.1986.

E-mail: pallgergely2@gmail.com

Higher education:

2012 April till present: PhD student, Shinshu University, Japan

2011: Degree in biology (MSc) and Ecologist Specialization (University of Pécs, Hungary)

2004: High-school graduation: Kossuth Lajos High School (Mosonmagyaróvár, Hungary)

Language skills:

Hungarian: Native language

English: intermediate language exam, (written and oral), 2009

German: intermediate level (passive)

Turkish: basic language exam, (written and oral), 2008

Greek: language course in the University of Patras (with mark „A”)

Japanese: intensive course completed (Shinshu University 2012-2013)

Romanian, Latin: Beginner

Field of study and interest:

Taxonomy of land snails (Clausiliidae, Enidae, Hygromiidae, Plectopylidae, Orculidae, Zonitidae, Pupinidae, Camaenidae)

Faunistics, zoogeography (Hungary, Turkey, Romania, countries of the Balkan Region, Southeast Asia)

Development, behaviour and evolution of door snails (Clausiliidae)

Quaternary and Holocene malacology

International scholarships and grants:

2011 November–2012 April: visitor researcher, Shinshu University, Japan

2011 February–April: visitor researcher, Shinshu University, Japan

2009 February–August: Erasmus practice/placement, University of Patras, Greece

2007 September–2008 January: Erasmus scholarship, Dumlupınar University, Turkey

Tenders:

2013 Monbukagakusho Honors Scholarship for Privately Financed International Students. (JASSO, Japan Student Services Organization): 65,000 Yen monthly for a year

2010: Molluscan Forum Travel Award: 90 £

2010–2011 (first semester): „DJKB” Scholarship: 275,000 HUF

2010: Unitas Malacologica travel grant: 800 €

2009–2010 (second semester): „DJKB” Scholarship: 150,000 HUF

2009–2010 (first semester): „DJKB” Scholarship: 150,000 HUF

2009–2010: “Scholarship of the Hungarian Republic”: 340,000 HUF

2009: Molluscan Forum Travel Award: 100£

2008: Pro Renovanda Cult. Hung. Foundation (Students for the Science): 90,000 HUF

2008: “Scholarship Society of Faculty of Sciences, University of Pécs”: 100,000 HUF

2007: “Scholarship Society of Faculty of Sciences, University of Pécs”: 100,000 HUF

Won six times on the tenders of “Student Union of Faculty of Sciences, University of Pécs” between 2005 and 2008 (50,000–106,000 HUF)

Publications (under review, accepted or published):

Publications in ISI journals: 18
Publications in other peer-reviewed journals: 16
Publications in non-peer-reviewed journals: 10
Publications in public science papers (in Hungarian): 8
Conference abstracts: 33
Oral presentations: 30 (16 of them in English)
Poster presentations on conferences: 14 (9 of them in international conferences)
Others: 2

Independent citations: 42
Independent citations in ISI papers: 13
Dependent citations: 20
Cumulated impact factor: 14.258 (according to the list 2012)
H-index: 3
H-index (only independent citations): 3

List of publications

Primary Research Papers in Peer-Reviewed Thomson Reuters (formerly ISI) Journals:

Horsák, M., Schenková, V. & **Páll-Gergely, B.**: Fossil records of *Marstoniopsis insubrica* (Küster, 1853) suggest its wide distribution in Central Europe during the Early Holocene. — *Malacologia* (accepted).

Giokas, S., **Páll-Gergely, B.** & Mettouris, O. (2013): Nonrandom variation of morphological traits across environmental gradients in a land snail. — *Evolutionary Ecology*, DOI: 10.1007/s10682-013-9676-5, IF: 2,407

Páll-Gergely, B. & Hunyadi, A. (2013): The family Plectopylidae Möllendorff 1898 in China (Gastropoda, Pulmonata). — *Archiv für Molluskenkunde* **142** (1): 1–66.

Páll-Gergely, B. & Asami, T. (2013): A new, ribbed *Schileykula* species from north-eastern Turkey (Gastropoda: Pulmonata: Orculidae). — *North-Western Journal of Zoology* 9 (1): 214–216. (Art#132304)

Páll-Gergely, B., Deli, T., Irikov, A. & Harl, J. (2013): Subgeneric division of the genus *Orcula* Held 1837 with remarks on Romanian orculid data (Gastropoda, Pulmonata, Orculidae) — *Zookeys* **301**: 25–49 (in press). doi: 10.3897/zookeys.301.5304.

Páll-Gergely, B., Hunyadi, A. & Asami, T. (2013): A peculiar new species in the genus *Landouria* Godwin-Austen, 1918 from China (Gastropoda: Heterobranchia: Stylommatophora: Camaenidae) — *Molluscan Research* **33** (2): 130–134. IF: 0,906 (2011) DOI:10.1080/13235818.2013.782794

Arrébola, J., Razkin, O., Gómez-Moliner, B. & **Páll-Gergely, B.** (2012): Redescription of *Orculella aragonica* (Westerlund 1897), an Iberian species different from *O. bulgarica* (Hesse 1915) (Gastropoda: Pulmonata: Orculidae) — *North-Western Journal of Zoology*, **8** (2): 292–299.

- Páll-Gergely, B.**, Kornilios, P. & Giokas, S. (2012): Higher than anticipated diversity within an *Albinaria* species (Gastropoda, Pulmonata, Clausiliidae) in southern Turkey. — *Journal of Biological Research-Thessaloniki* **18**: 345–352.
- Erőss, Z. P., Fehér, Z. & **Páll-Gergely, B.** (2011): A new species of *Balcanodiscus* Riedel & Urbański, 1964 from NE-Greece (Gastropoda: Pulmonata: Zonitidae) — *Journal of Conchology* **40** (6): 577–581.
- Páll-Gergely, B.** (2011): Description of the genital structure of four Turkish orculids (Gastropoda: Pulmonata: Orculidae) — *Journal of Conchology* **40** (4): 471–476.
- Páll-Gergely, B.** (2010): Notes on Turkish Mentissoideinae with description of three new taxa (Gastropoda: Pulmonata: Clausiliidae) — *Journal of Conchology* **40** (3): 259–268.
- Páll-Gergely, B.** (2010): New and little-known land snails from Turkey (Gastropoda: Pulmonata) — *Zoology in the Middle East* **50**: 89–94.
- Páll-Gergely, B.** (2009): Four reverse-coiled snail shells from Romania (Gastropoda: Pulmonata) — *North-Western Journal of Zoology* **5** (2): 357–363.
- Hausdorf, B. & **Páll-Gergely, B.** (2009): *Monacha oecali* new species from southern Turkey (Gastropoda: Hygromiidae) — *Journal of Conchology* **40** (1): 15–17.
- Páll-Gergely, B.** (2009): Revision of the Turkish *Ramusculus* taxa with description of *Ayna* gen. nov. (Gastropoda: Pulmonata: Enidae) — *Journal of Conchology* **40** (1): 73–77.
- Sólymos, P., Kemencei, Z., **Páll-Gergely, B.**, Farkas, R., Vilisics, F. & Hornung, E. (2009): Does shell accumulation matter in micro scale land snail surveys? — *Malacologia* **51** (2): 389–393.

Primary Research Papers in Other Journals (*peer-reviewed):

- ***Páll-Gergely, B.** & José Coltro Junior: The southernmost localities of *Xenophora conchyliophora* (Born, 1780) (Mollusca: Gastropoda: Xenophoridae). — *Basteria* (submitted)
- ***Páll-Gergely, B.**, Farkas, R., Deli, T. & Welter-Schultes, F.: *Trochulus lubomirski* (Ślósarski, 1881), a forgotten member of the Romanian mollusc fauna, with notes on the correct spelling of its name (Gastropoda: Pulmonata: Hygromiidae). — *Folia Malacologica* **21** (2): 91–97.
- *Farkas, R. & **Páll-Gergely, B.** (2012): First record of *Trochulus bielzi* (E. A. Bielz 1860) in Hungary (Zemplén Mountains), with notes on the anatomy of some *Trochulus* species (Gastropoda: Pulmonata: Hygromiidae). — *Folia Malacologica* **20** (2): 81–85.
- *Újvári, G., **Páll-Gergely, B.** & Varga Gy. (2011): Preliminary data to dust accumulation and paleoenvironmental conditions at the Gödöllő hills during the last 30 kyr. — *Archeometriai Műhely (Archaeometry Workshop)* **8** (2): 175–180. [in Hungarian with English summary].
- ***Páll-Gergely, B.** & Roibu, C. C. (2011): Land snail fauna of the Humosu Secular Forest (Romania); a new locality of *Serrulina serrulata* (L. Pfeiffer, 1847) (Gastropoda: Pulmonata: Clausiliidae) — *Malacologica Bohemoslovaca* **10**: 48–50.
- *Audibert, C., Erőss, Z. P., **Páll-Gergely, B.**, Hunyadi, A. & Fehér, Z. (2010): New data on continental molluscs' distribution (Mollusca, Gastropoda) in Turkey. — *Biocosme mésogéen* **27**(2): 43–69. [in French with English summary]

- ***Páll-Gergely, B.** (2010): *Montenegrina dofleini sinosi* n. ssp. from Northern Greece (Gastropoda: Pulmonata: Clausiliidae) — Genus **21** (1): 149–153.
- Páll-Gergely, B.** & Szentes, E. (2010): Up to date distribution of *Pomatias elegans* (O. F. Müller, 1774) and *Pomatias rivulare* (Eichwald, 1829) near Nagymányok (Mecsek Mountains, Southern Hungary) (Gastropoda: Pomatiasidae). — Malakológiai Tájékoztató (Malacological Newsletter) **28**: 53–55. [in Hungarian with English summary].
- *Lengyel, G. D. & **Páll-Gergely, B.** (2010): Data on the harvestmen (Opiliones) and landsnail (Gastropoda) fauna of the Apuseni Mts, Romania — Satu Mare – Studii și Comunicări Seria Științele Naturii, **10-11**: 91–111.
- ***Páll-Gergely, B.** (2010): Additional information on the reproductive biology and development of the clausilial apparatus in *Pontophaedusa funiculum* (Mousson 1856) (Gastropoda, Pulmonata, Clausiliidae, Phaedusinae) — Malacologica Bohemoslovaca **9**: 1–4.
- *Sólymos, P., Vilisics, F., Kemencei, Z., **Páll-Gergely, B.**, Farkas, R., Nagy, A., Kisfali, M. & Hornung, E. (2009): Global change, local survival: effects of aspect and moisture on invertebrate communities. — Természetvédelmi Közlemények, **15**: 396–411. [in Hungarian with English summary]
- ***Páll-Gergely, B.** & Sólymos, P. (2009): Ants as shell collectors: notes on land snail shells found around ant nests. — Malacologica Bohemoslovaca **8**: 14–18.
- *Sólymos, P., Farkas, R., Kemencei, Z., **Páll-Gergely, B.**, Vilisics, F., Nagy, A., Kisfali, M & Hornung, E. (2009): Micro-habitat scale survey of land snails in dolines of the Alsó-hegy, Aggtelek National Park, Hungary. — Mollusca **27** (2): 167–171.
- *Dezső, J., Bertók, G., Bognár, A., Kaposvári, F., Darányi, V., Pethe, M., Csabai, Z., **Páll-Gergely, B.** & Sipos, Gy. (2009): Case study of pedological and sedimentological investigations on loess-covered terrain (Szemely-Hegyes late neolithic ring-ditch complex). — Archeometriai Műhely (Archaeometry Workshop) **2009** (3): 57–72. [in Hungarian with English summary]
- Páll-Gergely, B.** & Erőss, Z. P. (2009): Co-occurrence of the *Vertigo* species living in Hungary and notes on their habitat-preference. — Malakológiai Tájékoztató (Malacological Newsletter), **27**: 39–46. [in Hungarian with English summary]
- Páll-Gergely, B.** (2008): Hungarian nomenclature of the reproductive system of Stylommatophoran gastropods — Malakológiai Tájékoztató (Malacological Newsletter) **26**: 37–42. [in Hungarian with English summary]
- ***Páll-Gergely, B.** & Németh L. (2008): Observations on the breeding habits, shell development, decollation, and reproductive anatomy of *Pontophaedusa funiculum* (Mousson 1856) (Gastropoda, Pulmonata, Clausiliidae, Phaedusinae) — Malacologica Bohemoslovaca **7**: 11–14.
- *Vilisics, F., Nagy, A., Sólymos, P., Farkas, R., Kemencei, Z., **Páll-Gergely, B.**, Kisfali, M. & Hornung, E. (2008): Data on the terrestrial Isopoda fauna of the Alsó-hegy, Aggtelek National Park, Hungary — Folia Faunistica Slovaca **13** (2): 9–12.
- ***Páll-Gergely, B.** & Csabai, Z. (2008): Notes on the continental malacofauna of Rhodes, with two new species to the fauna of the island — Malacologica Bohemoslovaca **7**: 76–78.
- Sólymos, P., Tutkovics, B., Czentye, I. & **Páll-Gergely, B.** (2007): Data on the land snail fauna of the Mecsek Mountains (S Hungary) (Mollusca: Gastropoda) —

- Malakológiai Tájékoztató (Malacological Newsletter), **25**: 83–94. [in Hungarian with English summary].
- Páll-Gergely, B.** (2007): *Ophioglossum vulgatum* L. in the upper Szigetköz [NW-Hungary]. — Flora Pannonica **5**: 189. (In Hungarian with English summary).
- Páll-Gergely, B.** & Pesti K. (2007): The rediscovering of *Pyrola minor* in the Mecsek Mts. [Hungary, Southern Transdanubia]. — Folia Historico Naturalia Musei Matrensis **31**: 11–13. [in Hungarian with English summary]
- Páll-Gergely, B.** (2006): Data to the mollusc-fauna of the Southern-Bakony mts. and the Balaton-uplands. — Malakológiai Tájékoztató (Malacological Newsletter), **24**: 53–60. [in Hungarian with English summary]
- Páll-Gergely, B.** (2006): Snail collection of the University of Pécs. — Folia Historico Naturalia Musei Matrensis, **30**: 101–103. [in Hungarian with English summary]
- Kálmán, A., **Páll-Gergely, B.**, Cser, B., Boda, P. & Csabai, Z. (2006): Aquatic macroinvertebrate fauna of waters of the Southern-Bakony mts. and the Balaton-uplands. — Hidrológiai közlöny (Journal of Hungarian Hydrological Society) **86**: 161–164. [in Hungarian with English summary]
- Sólymos, P. & **Páll-Gergely, B.** (2006): Unusually rich land snail fauna in coniferous forest, Slătioara (Suceava, Romania) — Tentacle **15**: 6–7.

Popular writings (in Hungarian):

- Páll-Gergely, B.** (2013): Birds and ornithologists on banknotes. — Madártávtat (Journal of the Bird Life Hungary) 20 (2): 20–21.
- Páll-Gergely, B.** (2012): Famous agricultural scientists on banknotes. — Agrofórum **23** (9): 117.
- Páll-Gergely, B.** (2012): Entomologists, insects on banknotes. — Rovarász Híradó 66: 4–6.
- Páll-Gergely, B.** (2010): Beszámoló a XXXIII. Magyar Malakológus Találkozóóról - Report on the 33rd Meeting of Hungarian Malacologists — Malakológiai Tájékoztató (Malacological Newsletter) (in Hungarian and in English) **28**: 91–94.
- Páll-Gergely, B.** (2010): Beszámoló a XXXIII. Magyar Malakológus Találkozóóról - Report on the 33rd Meeting of Hungarian Malacologists — Soosiana **30-31**: 37–38. (In Hungarian)

Poster presentations:

International conferences:

- Mettouris, O., **Páll-Gergely, B.** & Giokas, S. (2011). Associations of shell sculpture, size and shape with environmental gradients in a rock-dwelling land snail. 5th Biennial Conference of the International Biogeography Society, Heraklion, Crete, Greece, January 7–11 2011.
- Mettouris, O., **Páll-Gergely, B.** & Giokas, S. (2009): Adaptations for water and heat management in the rock-dwelling land snail *Albinaria*. — 11th International

Congress on the Zoogeography, Ecology and Evolution of Eastern Mediterranean
September 21–25, 2009.

- Kemencei, Z., Sólymos, P., Farkas, R., **Páll-Gergely, B.**, Vilisics, F. & Hornung, E. (2009): Key habitats on micro-scale: where rare species are common — 2nd European Congress of Conservation Biology, Prague, Czech Republic: September 1–5, 2009
- Kemencei, Z., Sólymos, P., Farkas, R., **Páll-Gergely, B.**, Vilisics, F. & Hornung, E. (2008): Key habitat structures shelter land snail assemblages against unfavourable environmental — EURECO - GFOE 2008 "Biodiversity in an Ecosystem Context" - Leipzig (Germany), 15–19. September 2008.
- Páll-Gergely, B.** (2008): *Albinaria schuetti* Nordsieck, 1984 = *Albinaria alajana* O. Boettger, 1896? — II. National Malacology Congress of Turkey, Adana, Turkey
- Páll-Gergely, B.** & Fehér, Z. (2008): Freak Clausiliids – the shells of survivors — II. National Malacology Congress of Turkey, Adana, Turkey
- Fehér, Z., Barina, Z., Erőss, Z., Hunyadi, A., Huszár, T. Murányi, D., Pifkó, D. & **Páll-Gergely, B.** (2008): Unexpected occurrence of an Anatolian species, *Multidentula squalina* (L. Pfeiffer, 1848) (Mollusca: Gastropoda: Enidae), in Albania. — II. National Malacology Congress of Turkey, Adana, Turkey
- Páll-Gergely, B.** & Sólymos, P. (2007): Micro-scale assessment of land snails on coarse woody debris in central European beech forests — World Congress of Malacology, Antwerp.
- Sárfi, N., Kevey, B., Mányoki, G., Bátori, Z., Gerely, L., **Páll-Gergely, B.**, Tóth, V., Szerényi, K. (2006): Gap dynamical research in the Kőszegi-forrás forest reserve (Hungary) — 1st European Congress of Conservation Biology, Eger. P. 154.

Hungarian conferences:

- Kemencei, Z., Sólymos, P., **Páll-Gergely, B.**, Farkas, R., Vilisics, F. & Hornung, E. (2009): Öröm az ürömben: csigafajok élő egyedszámának modellezése üres csigahéjak figyelembe vételével 8. Hungarian Ecologist Congress, Szeged, August 26–28 2009. **Award winner in the poster section.**
- Kemencei, Z., Sólymos, P., Farkas, R., **Páll-Gergely, B.**, Vilisics, F. & Hornung, E. (2008): Kulcs élőhelyek mikroskálán: ahol a ritka csiga fajok gyakoriak — V. Magyar Természetvédelmi Biológiai Konferencia, Nyíregyháza "Molekuláktól a globális folyamatokig". November 6–9, 2008, **Winner of the poster section.**
- Páll-Gergely, B.** & Sólymos, P. (2007): Mikroélőhelyek tulajdonságainak hatása erdei csigák fajgazdagságára és tömegességére — Szünbiológus Szimpózium, Budapest.
- Páll-Gergely, B.** (2007): Effects of coarse woody debris on land snails. — Hungarian National Scientific Student Conference ('XXVIII. OTDK', Section of Biology, Section of Invertebrate Ecology) 2nd award.
- Kálmán, A., **Páll-Gergely, B.**, Cser, B., Csabai, Z. & Boda, P. (2005): Makroszkopikus vízi gerinctelenek faunisztikai vizsgálata a Déli-Bakony és a Balaton-felvidék víztereiben — Hidrobiológus Napok, Tihany.

Oral presentations in conferences:

- Harl, J., **Páll-Gergely, B.**, Duda, M., Kruckenhauser, L., Sattmann, H. & Haring, E. (2013): Phylogeography of the land snail genus *Orcula* Held 1837 with a special

- focus on the Alpine species group - World Congress of Malacology 2013, Azores (Portugal), 21-28 July 2013.
- Páll-Gergely, B.** (2013): Past and prospectives of systematic research using land snails data. — II. Interdisciplinary Doctoral Conference, Pécs, Hungary, 15–17 May, 2013. (in Hungarian)
- Páll-Gergely, B.**, Harl, J. & Asami, T. (2013): Molecular analysis revealed multiple changes of coiling direction in the land snail genus *Schileykula*. The 2013 Annual Meeting of the Malacological Society of Japan, Toyohashi, 20–21.04.2013.
- Harl, J., **Páll-Gergely, B.**, Duda, M., Kruckenhauser, L., Sattmann, H., Haring, E. (2013): Phylogeography of the land snail genus *Orcula* Held 1837 with a special focus on the Alpine species group. — BioSyst.Eu, Vienna, 2013 February 18–22.
- Wiwegweaw, A., Dulayanurak, V., **Páll-Gergely, B.** & Asami, T. (2012): Phylogeography of snail sibling species: Spread before or after humans? — 59th Annual Meeting of Ecological Society of Japan/ The 5th EAFES International Congress, Otsu, Japan
- Páll-Gergely, B.**, Asami, T., Hamann, T. D. & Gittenberger, E. (2012): Diversity and evolution of left-right polarity in populations of Turkish snails. — 59th Annual Meeting of Ecological Society of Japan/The 5th EAFES International Congress, Otsu, Japan
- Páll-Gergely, B.** & Asami, T. (2011): The family Plectopylidae: towards a new system after 110 years. — Meeting of Society for the Study of Molluscan Diversity, Shirahama, Japan.
- Sulikowska-Drozd, A., Maltz, T. K., Kappes, H & **Páll-Gergely, B.** (2011): Reproductive strategy of clausiliid *Alinda biplicata* (Montagu, 1803) – variation across the geographical range of the species. — 6th Congress of the European Malacological Societies (CEMS), Vitoria-Gasteiz, Spain, 18–22 July 2011
- Páll-Gergely, B.** (2011): The genus *Plectopylis* in China. — The 2011 Annual Meeting of the Malacological Society of Japan, Fukuoka, Kyushu University, 16-17 April 2011.
- Újvári, G., **Páll-Gergely, B.** & Varga, Gy. (2011): Dust accumulation and paleoenvironmental conditions at the Gödöllő Hills during the last 30 kyr — Archeomalacological Conference, 29 March 2011.
- Páll-Gergely, B.** (2010): The number of subspecies may be influenced by the complexity of shells — Molluscan Forum, London, 30. November 2010.
- Dezső, J., Kovaliczky, G., Kaposvári, F., Csabai, Z., **Páll-Gergely, B.**, Bódis, E. & Sipos, Gy. (2010): Lösshátrak tetején, árterek mélyén. A domborzat formálódása a történelmi korok és természeti viszonyok hatására Szederkény, Kukorica-dűlő példáján — Környezet – Ember – Kultúra „Az alkalmazott természettudományok és a régészet párbeszéde”.

- Dezső, J., Kaposvári, F., Kovaliczky, G., Csabai, Z., Bertók, G., Bódis, E., & **Páll-Gergely, B.** (2008): Geoarchaeological research methods and investigation in the loess-covered South-Transdanubia (Hungary). Landscape Evolution & Geoarchaeology. — 13th Belgium-France-Italy-Romania Geomorphological Meeting June 18-21, 2008, Porto Heli, Greece
- Kemencei, Z., Sólymos, P., **Páll-Gergely, B.**, Farkas, R., Vilisics, F. & Hornung, E. (2008): Kulcs élőhelyek szerepe a környezeti szélsőségek mérséklésében: csigák fajgazdagsága az Aggteleki-karszt töbreiben — KÖSZI, Budapest.
- Sólymos, P., Fehér, Z., Eröss, Z. P., Šteffek, J. & **Páll-Gergely, B.** (2007): Diversity and composition of forest land snail assemblages in the Carpathian Basin: patterns and processes from microsites to regions — FAPA, Kecskemét.

Oral presentations in other meetings:

- Páll-Gergely, B.** & Asami, T. (2012): The family Plectopylidae: A typical story of South-East Asian malacology. — Meeting of the Tokyo Shell Club, 21 October, 2012.
- Páll-Gergely, B.** & Hunyadi, A. (2011): Új *Plectopylis* adatok 100 év után (New *Plectopylis* data after a hundred years). — 35. Magyar Malakológus Találkozó (35th Hungarian Malacologist Meeting), Szögliget, Hungary.
- Páll-Gergely, B.** (2011): Taxonomy, end or beginning? — Department seminar at the Shinshu University, Matsumoto, Japan. 6.4.2011.
- Páll-Gergely, B.** (2010): Az alfajokról (About subspecies) — 34. Magyar Malakológus Találkozó (34th Hungarian Malacologist Meeting), Selmecebánya (Banská Štiavnica), Slovakia.
- Páll-Gergely, B.** (2009): Hellén impressziók (Hellenic impressions) — 33. Magyar Malakológus Találkozó (33rd Hungarian Malacologist Meeting), Dunasziget, Hungary.
- Kemencei, Z., Sólymos, P., **Páll-Gergely, B.**, Farkas, R., Vilisics, F. & Hornung, E. (2009): Csigák mikroskálán: kulcsélőhelyek és módszertani kihívások (Snails on microscale, key habitats and methodological challenges) — 33. Magyar Malakológus Találkozó (33rd Hungarian Malacologist Meeting), Dunasziget, Hungary
- Páll-Gergely, B.** (2008): Snails around us — „Water in life” Workshop, Beograd, 28.11.2008–01.12.2008.
- Sólymos, P., Kemencei, Z., **Páll-Gergely, B.**, Farkas, R., Vilisics, F. & Hornung, E. (2008): Dolina 2007: Mikroélőhelyek mintavételezésének jelentősége — 32. Magyar Malakológus Találkozó (Hungarian Malacologist Meeting), Szarvas.
- Páll-Gergely, B.** & Fehér, Z. (2008): Poszt-traumatikus héj javítások megfigyelt esetei orsócsigákon - Pórus járt balfácánok vagy szerencsés túlélők? — 32. Magyar Malakológus Találkozó (Hungarian Malacologist Meeting), Szarvas.

- Páll-Gergely B.** & Sóllymos P. (2007): Holt fa hatása erdei csigák fajgazdagságára és tömegességére — Magyar Biológiai Társaság Zoológiai Szakosztályának előadójúlése.
- Páll-Gergely, B.** & Sóllymos, P. (2006): Holt fa hatása erdei csigafajok mennyiségi viszonyaira — 2006, 31. Magyar Malakológus Találkozó (Hungarian Malacologist Meeting), Szeged.
- Páll-Gergely, B.** (2005): Moldvai impressziók (Impressions of Moldva) — 30. Magyar Malakológus Találkozó (Hungarian Malacologist Meeting), Békéscsaba.
- Páll-Gergely, B.** (2004): Csigák és emberek (Snails and people) — a Pécsi Biológiai Társaság előadójúlése, Pécs.

Extracurricular Activities:

- WikiProject Gastropods (member) (editor of Wikipedia)
- Malacologica Bohemoslovaca (member of the editorial board 2010-)
- Biharean Biologist (member of the editorial board 2009-)
- Curator of Gastropoda: Encyclopedia of Life (<http://www.eol.org/>)

Reviewer for: Brukenthal Acta Musei (2 papers in 2012; 2013), Ecologia Balkanica (2012), Journal of Conchology (2012), North Western Journal of Zoology (2011, 2012), Biologia (2011), International Research Journal of Microbiology (2009), Malacologica Bohemoslovaca (2009).

Additional scientific activity:

- Consultancy Contract (IUCN, European Species Assessments, European Molluscs Red List Assessment, European Mollusc Specialist Group)
- 11th Hungarian Biodiversity Days, Cserkút 15–17.05.2013.
- 10th Hungarian Biodiversity Days, Hanság 22–24.06.2012.
- 9th Hungarian Biodiversity Days, Kiskunhalas 25–27.05.2012.
- 7th Hungarian Biodiversity Days, Csörnöc-Vasvár 04–06.06.2010.
- Demonstrator in Zootaxonomy and Field trip (University of Pécs, 2010)
- XXXIII. Hungarian Malacologist Meeting, 2009 (organizer)
- Revision of the snail collection of Janus Pannonius Museum (Pécs, Hungary) (2004)

Congresses, conferences:

- | | |
|-----------------------------|---|
| 2013, Toyohashi, JP: | Annual Meeting of the Mal. Society of Japan |
| 2012, Tokyo, JP: | Meeting of the Tokyo Shell Club |
| 2012, Otsu, JP: | 59th Annual Meeting of Ecological Society of Japan/
The 5th EAFES International Congress |
| 2011, Shirahama, JP: | Meeting of Society for the Study of Molluscan Diversity |
| 2011, Szögliget, H: | 35. Hungarian Malacologist Meeting |
| 2011, Fukuoka, JP: | Annual Meeting of the Mal. Society of Japan |
| 2010, London, GB: | Molluscan Forum |
| 2010, Banská Štiavnica, SK: | 34. Hungarian Malacologist Meeting |
| 2010, Phuket, T: | 17. World Congress of Malacology |
| 2009, London, GB: | Molluscan Forum |
| 2009, Dunasziget, H: | 33. Hungarian Malacologist Meeting |
| 2008, Adana, TR: | 2. National Malacology Congress of Turkey |

2008, Szarvas, H:	32. Hungarian Malacologist Meeting
2007, Debrecen, H:	28. OTDK
2007, Antwerpen, B:	16. World Congress of Malacology
2007, Budapest, H:	3. Szünbiológiai Szimpózium
2006, Szeged, H:	31. Hungarian Malacologist Meeting
2005, Tihany, H:	Hidrobiologist Days
2005, Békéscsaba, H:	30. Hungarian Malacologist Meeting
2004, Sibiu, RO:	1. Romanian Malacologist Meeting
2004, Sibiu, RO:	29. Hungarian Malacologist Meeting
2003, Baja, H:	28. Hungarian Malacologist Meeting

Workshops:

- 2010, IUCN Red List assessment workshop (European land snails), Bern
- 2009, IUCN Red List assessment workshop (European Freshwater Molluscs), Budapest
- 2008, International Study Workshop “Water is Life”, Belgrade
- 2007, IUCN Mollusc Specialist Workshop on Global Molluscan Assessment, Antwerp

Society memberships:

- Japanese Malacological Society (member, 2013–)
- Hungarian Biodiversity Research Society (member, 2012–)
- Ecological Society of Japan (member, 2011–)
- Society for Conservation Biology (member, 2008-2009)
- Hungarian Malacological Society (member of the UM, member of the board, 2008–)
- Kosbor Természetvédelmi Egyesület (member, 2007–)
- Unitas Malacologica (member, 2007–)
- Bulgarian Malacological Society (member, 2007–)
